

### Courtyard Gazebo

**Leu Gardens** represents the best value and the best venue of the various locations listed in the pictured sites. Facts you might want to know:

- a. The gardens allow intimate weddings at 9, 11, 1, and 3 as they do not want two brides running into each other.
- b. In case of rain you get married in one of the rooms in the Garden House.
- c. The gardens are open every day of the year except Christmas day.
- d. The gardens have 50 acres. They allow intimate weddings in the
  1. white garden
  2. gazebo in the woods (my favorite)
  3. trellis garden
  4. the demonstration garden(following the wedding you can take pictures in any of the other gardens.)
- e. You can have up to 25 people attend your wedding at any of the intimate sites.

***NOTE; The only negative to Leu Gardens is that often couples delay until their date and time preference is no longer available. The site is popular with destination couples as well as locals.***

We thank you from the bottom of our hearts for making our wedding day perfect and personal to us, from the help organizing flowers and limousines to the beautiful and touching words and vows. We had the wedding we both wanted and in such a breathtaking location. Leu Gardens surpassed all expectations and the pictures just don't do it justice. Our memories of the day will be forever augmented by your excellent photographers who

produced such a fabulous pictorial essay that all our family and friends feel as if they were there.
